

Fabricant depuis 1948 • *Manufacturer since 1948*

OUR SECOND-HAND MACHINES

JOUANEL Industrie gives you the opportunity to purchase machines and equipment at rock-bottom prices!

These are second-hand machines taken back from our clients as they bought new JOUANEL equipment, or returning from trade shows and demonstration. They are completely mechanically overhauled, reconditioned up to the current standards, repainted for most of them and ready to operate for many years in your workshops.

You benefit from a 6-month guarantee for these machines.

You can consult our second-hand machines offers on our PDF file, which is regularly updated depending on the current availability...Time to take advantage of our good bargains!

PALCD420 (Double hinge dripe hedge benders)

Gross price Excl. Tax

313 €

Transport

Not included, possibility to quote the transport

Warranty

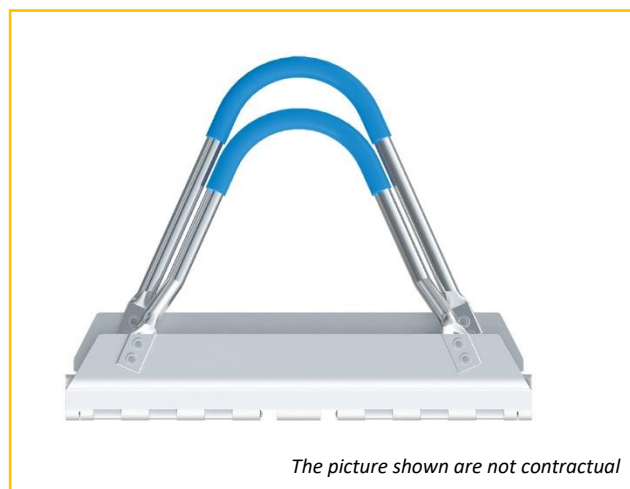

6 months, revised

Lead time

Available

STANDARD EQUIPMENT

- An innovative 2-axis clamping and bending system
- A single clamp replaces the straight clamp and the angled clamp
- Only one positioning to fold down the drip edge, maximum time saving
- Easy and reproducible folding, without marking
- Suitable for standing seam trays made with 500 and 650mm coils
- Weatherproof clamp, made of stainless steel and aluminum

This new innovative system of folding machines with double fold drip edges allows rapid shaping of the drip edge at the level of the sewer strip in a standing seam.

GENERAL FEATURES

- Dimensions: L. 420mm x H.355mm
- Open length: 520 mm
- Weight: 1 790g
