

Fabricant depuis 1948 • *Manufacturer since 1948*

OUR SECOND-HAND MACHINES

JOUANEL Industrie gives you the opportunity to purchase machines and equipment at rock-bottom prices!

These are second-hand machines taken back from our clients as they bought new JOUANEL equipment, or returning from trade shows and demonstration. They are completely mechanically overhauled, reconditioned up to the current standards, repainted for most of them and ready to operate for many years in your workshops.

You benefit from a 6-month guarantee for these machines.

You can consult our second-hand machines offers on our PDF file, which is regularly updated depending on the current availability...Time to take advantage of our good bargains!

- Seams on large lengths
- 3 rolls for a better guidance
- 2 folder rollers made of treated steel, inclined at 10°
- Monobloc body in anodized stainless steel
- Columns, rolls and axis made of stainless steel
- Graduations in mm, indelible laser engraving
- Fast locking edge height by 2 butterfly handles

Its large coated handle allows a very good handling of the tool and its 2 folder rollers improve the stability of the sheet and the quality of folding on some edges of large dimension.
